Average Scaled Score

	Reading	Maths	GPS
Average Scaled Score			
National Average Scaled Score	106	105	105

Local authority averages are not available at this point.

Our attainment is also strong and very favourable, particularly comparing national averages both at GDS. This underlines the quality of education that pupils receive at our school in preparing them for the future.

Progress Scores

Currently, our progress scores are not available. We expect to receive these when they are published by the DfE around the early part of November 2026.

Y4 Multiplication Tables Check

	Number scoring 25		Number scoring 20+		Average Score
All Pupils (61)	16	26%	37	61%	18.3

There is very little comparative data available, but this data does show a very slight increase on the % of children scoring 25 and 20+ from last year. The average score has decreased by 1.0 marks from 2025 due to a large number of SEND pupils in the year group.

Y1 Phonics Read at 6

	Stanley Primary School 2026	Stanley Primary School 2025	2026 National Average	2026 Richmond Average
Reaching the required standard (32+)	95%	91%	80%	%

These figures are again exceptionally high and well above national averages. We have continued to retain the high performance of the previous two years.

Early Years Foundation Stage

	Stanley Primary School 2026	Stanley Primary School 2025	2026 National Average	202 Richmond Average
Good Level of Development (GLD)	71%	66%	68.3%	%

This data does not include two children who attend Peartree, our specialist resource provision.

KS1 (Year 2)

From 2023/24 it is no longer necessary for the school to submit end of KS1 data to the DfE for publication. The assessment of children in Y2 is no longer statutory and continues to be recorded using the school's internal assessment recording and reporting systems.
